

Unlock a **30%** increase
in revenue by adding a digital
flatbed printer.

In today's challenging economy it is extremely important to generate new streams of revenue. Fujifilm Sericol is offering a workshop to demonstrate how the versatility of a digital flatbed printer can not only help you meet quicker turnaround requirements, but also unlock new sources of income by printing on unique substrates and opening up the world of 3-D graphics, backlit signage and more.

Who Should Attend?

Owners, Designers & Production Managers at:

- Sign Shops
- Digital Print Shops
- Reprographic Specialists
- Commercial Photo Labs
- Screen and Offset Printers

Choose your Workshop Session
